

Habitat’s ministry is based on the conviction that to follow the teachings of **Jesus Christ**, we must love and care for one another. Our love must not be words only— it must be *true*, which shows itself in action.

Habitat provides an opportunity for people to put their **faith and love** into action. We bring diverse groups of people together to make affordable house and better communities a reality for *everyone*. Partner with us as we seek to put **God’s love** into action.

## YOUR CHURCH IN ACTION Participate in an Apostle’s Build

Habitat for Humanity TCP is excited to hold the second annual Apostles Build in 2017. We are looking for churches to come together in raising walls, funds, and prayers to build a home for one local family. An Apostles Build project is a dynamic and practical project-driven way for the faith community to join Habitat in Ministry.

**Churches** helping alongside staff

**Providing Labor**

**Prayer Support**

**A Home** for a family

### The Churches Provide:

- **Prayer** —The most fundamental & powerful tool in our “tool belt” is prayer. We would ask that you and your congregation join us as we pray for the affiliate, the build, and the families we serve.
- **Volunteer**—Each church commits to serve for one week by volunteering at the build site. A typical build week is Monday—Saturday. We need churches to help on the house beginning in early June of 2017.

### The Church Receives:

- A concrete way to put your faith into action. Working on this project allows people of faith to be the body of Christ in the world
- An effective way to engage small groups
- An Apostles build project also has the potential to build community among churches that have never worked together before
- The opportunity to be apart of Habitat’s mission in bring affordable housing to the Tri Cities
